PERSONNEL AUTHORIZATION
NO. 05-27

1. PA 05-21 contained a typographical error in the CAPID for Capt Kevin McDowell for AFRCC Mission 05M0950. The correct CAPID is 217242.
2. PA 05-24 contains an error regarding the direction of flight. It is corrected to read "The mission involved the location of a Lancaire aircraft, N285JB, which was reported missing after failing to return to Scottsdale, AZ after departing from Gillespie Field, El Cajon CA."
3. The Distress Find Ribbon is awarded to the following CAP aircrew members for their participation in AFRCC Mission 05M2155, which closed on 12 November 2005. This mission involved the location of a Cessna 337 aircraft, N5426S, which was reported missing while on a flight from Phoenix, AZ to Palm Springs with two persons on board. The aircraft dropped off flight-following RADAR while over the Joshua Tree National Monument. The aircraft was located on an emergency landing strip 5.75 miles NNW of 29 Palms Airport, where the aircraft had landed safely. Auth: CAPR 39-3.
